International Journal of Integrated Health and Science

Dear Sir,

Please find the submission of our manuscript,

**Difference of Defined Daily Doses and Cost of Ceftriaxone Empirical Treatment
Pre and Post Antimicrobial Stewardship Programs Model**

which we would like to submit for publication in the International Journal of Integrated Health Science. In this manuscript, antibiotic resistance requiring substantial response through two mechanisms: new antibiotic development and smart antibiotic use. This requires substantial change, by implementing antibiotic stewardship programs (ASP) that reduce overall use of antibiotics and prevent overuse which could prevent antibiotic resistance. Aims of this study, to discover the difference of defined daily dose (DDD) and cost of therapy (COT) values of ceftriaxone empirical treatment in sepsis patients with pre and post ASP Model RSUP dr. Hasan Sadikin, Bandung.

Author and all co-authors have seen and agreed with the contents of the manuscript and there is no financial interest to report. We certify that the manuscript submitted is an original work and is not under review at any other publication. We thank you for considering our manuscript for publication in the International Journal of Integrated Health Science and look forward to hearing from you at your earliest convenience.

Sincerely yours,

(Uun Sumardi)
