Bandung, 24<sup>th</sup> April 2020 Dear Chief of Editor Majalah Kedokteran Bandung

Universitas Padjadjaran

We are apologized that we cannot provide the copy of Ethical Statement of article "Effect of Exercise Duration on Klotho and GluN2B Gene Expression in Hippocampus of Wistar Rats" due to Covid-19 outbreak in Bandung and sudden work from home regulation. This study has been approved by Universitas Padjadjaran Ethical Committee no no 1237/UN6.KEP/EC/2019. Attached the ethical number approval obtained from Ethical Committee Website.

We would ask for delayed the ethical statement submission until outbreak diminished. We apologized for the inconvenience and thank you for your consideration.

Sincerely yours

Hanna
