

Jakarta, September 19th 2020

To:

Editor-in-Chief of Majalah Kedokteran Bandung (MKB)
in Bandung, Indonesia

Dear Sir/Madam,

We wish to submit an original research article entitled "Soil-Transmitted Helminth Infections and Nutritional Status of children Public Primary School Cilincing, North Jakarta" for consideration by Majalah Kedokteran Bandung.

We confirm that this work is original and that the manuscript has not been published elsewhere, nor is it currently under consideration for publication elsewhere. We also confirm that there is no falsification or fabrication of data and no plagiarized content in the article.

We believe that this manuscript is appropriate for publication by Majalah Kedokteran Bandung because it describes the prevalence and intensity of STH and the nutritional status among school following deworming campaigns in primary school children 06 in Cilincing, North Jakarta. The paper would be of interest to your readers as it has public health implications. All authors of this manuscript have approved the final version of this submitted manuscript.

We have no conflicts of interest to disclose.

Thank you for your consideration of this manuscript.

Sincerely,

Monica Puspa Sari, MD, M.Biomed

Departement of Parasitology, Faculty of Medicine and Health,
Christian Krida Wacana University, 11470 West Jakarta
