Bandung, 12 September 2019

To:

Editor-in-Chief of Majalah Kedokteran Bandung (MKB)
in Bandung, Indonesia

Dear Sir/Madam,

We wish to submit an original research article entitled **"Effect Of Omega-3 In Reducing Progression Of Cartilage Destruction In Mice's Knee Joint With Osteoarthritis Evaluated Histopathologically"** for consideration by Majalah Kedokteran Bandung.

We confirm that this work is original and that the manuscript has not been published elsewhere, nor is it currently under consideration for publication elsewhere. We also confirm that there is no falsification or fabrication of data and no plagiarized content in the article.

We believe that this manuscript is appropriate for publication by Majalah Kedokteran Bandung because it is a research that may help finding a new regime of treatment for osteoarthritis with low cost. All authors of this manuscript have approved the final version of this submitted manuscript.

We have no conflicts of interest to disclose.

Thank you for your consideration of this manuscript.

Sincerely,

Farry, dr.

Conflict of Interest Declaration

Here by the authors certify that the manuscript entitled:

Effect Of Omega-3 In Reducing Progression Of Cartilage Destruction In Mice's Knee Joint With
Osteoarthritis Evaluated Histopathologically

is an original work and is not under review at any other publication. All authors of this manuscript have approved the final version of this submitted manuscript and there is no financial interest to report. This manuscript is ready for publication in the Majalah Kedokteran Bandung (MKB).
