Editor-in-Chief of Majalah Kedokteran Bandung (MKB)
in Bandung, Indonesia

Dear Sir/Madam,

We wish to submit an original research article entitled “**The Association between Rainy Season and Diarrhea among Age 13-24 Months**” for consideration by Majalah Kedokteran Bandung.

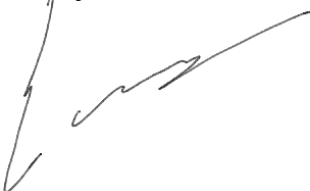

We confirm that this work is original and that the manuscript has not been published elsewhere, nor is it currently under consideration for publication elsewhere. We also confirm that there is no falsification or fabrication of data and no plagiarized content in the article.

We believe that this manuscript is appropriate for publication by Majalah Kedokteran Bandung because not much research has been done in Indonesia, especially on metropolitan areas, regarding the association between diarrheal disease and season, even when diarrhea is still a leading cause of death in under five. All authors of this manuscript have approved the final version of this submitted manuscript.

We have no conflicts of interest to disclose.

Thank you for your consideration of this manuscript.

Sincerely,

A handwritten signature in black ink, appearing to read 'dr. Edward Surjono, Sp.A', written in a cursive style.
